OFFICE OF THE SHERIFF,
SAN JOAQUIN COUNTY, CALIFORNIA.

Stockton, Cal., Aug. 31st, 1904.

Officers:-

Permit me to again call your attention to my card No. 113 concerning the loss of a black mare from Lathrop on Aug. 8th, 1904.

It is very difficult to say whether this mare strayed or was stolen; circumstances point as strongly to one conclusion as to the other; however I wish you would make diligent inquiry through your county and ascertain if anything can be learned as to her whereabouts.

The mare is described as follows; Solid black gentle driving mare, age 12, weight 1150, height 15 Hands, no brands, no shoes, well-bred, trim legs except the right hind ankle which is enlarged and scarred from interefering, is high lifed, holds head high, mane medium and hangs on right side, scar of horse bite on top od shoulders and on rump near tail.

Please give me any information you may obtain.

Respectfully yours,
Walter F. Sibley, Sheriff.

Jacksonville, Oregon, Nov. 17, 1904.

To the Sheriff
Madera
California.

Dear Sir:

Mr. W. F. Scott, otherwise known as J. W. Scott has cashed in our County a large number of bogus checks. He has done this in a great many towns in Oregon and Washington. We have a case against him which would result in conviction if we can get him. He is described as being a little more than six feet in height, weight about 240 pounds, small, dark, mustache, rather florid complexion, top of head is bald to where rim of hat touches scull. He is quite prepossessing in appearance, and with noticeably high shoulders, with short neck. This business of cashihg bogus checks seems to be his main occupation. Please wire me if such a man shows up in your County, and upon the receipt of this Letter I wish you would notify the constables of your County to be on the lookout for him. We are today getting Requisition for him. He is now somewhere in California.

Very truly yours,

POLICE DEPARTMENT, LOS ANGELES, CAL.
DECEMBER 16TH, 1904.

ARREST FOR FELONY

(the uttering and passing of fictitious checks) two men, whose descriptions are as follows:

No. 1. Age 25 to 28 years; height 5 feet 6 or 7 inches; weight 140 to 145 pounds; light sandy hair; smooth shaven; thick lips. Wore a dark coat, no vest, light-colored striped pants; No. 15, round-cornered, turn-down, celluloid collar; no neck-tie; Florsheim shoes, with name on back strap. Purchased a new suit of black and white mixed goods, with black and white vertical stripes five-eighths of an inch apart, and with dim white stripes running the other way two inches apart, forming a sort of plaid; coat size 36, pants 30 waist, 32 inch legs. Also bought of the firm of Harris & Frank a J. B. Stetson "Boss", raw-edged Graeco hat, with one-half inch band, and worn with six dents in top; has the names of both Stetson and the firm of Harris & Frank on sweat-band. Also bought a pair of No. 6 lace shoes, Blucher cut, plain toe, made by John Mier Shoe Co., St. Louis; and two No. 15 size "Conqueror" shirts, with dark stripes. The new suit was purchased from James Smith & Co., and that firm's tag is at the neck of the coat and the name "Alfred Benjamin & Co." is sewed inside one inside pocket of coat.

No. 2. Age 25 to 30 years; height 5 feet 8 or 9 inches; weight 150 pounds; dark hair; small, short sandy mustache; slim face. Wore a coat and vest of mixed brown goods; pants somewhat lighter than coat; and a soft black hat, marked: "Coleman & Co., San Francisco". Purchased a new suit of clothes, the same as suit purchased by No. 1, and marked the same. His coat is size 38; pants, size 35 waist, 33 inch legs. No. 2 also bought of Siegel, the hatter, a hat similar in style to that purchased by No. 1, size 6⅞, and made by H. H. Roelfs & Co., Philadelphia. Also bought a pair of No. 8 lace shoes, with toe-caps, made by Friedman Bros. Shoe Co., St. Louis, and two suits of blue ribbed woolen underwear.

These men passed a number of bogus checks on the merchants of our city on the evening of December 10, 1904, and secured several hundred dollars in money and checks signed by Siegel Bros., B. Wolff and H. Cohn & Co., besides the goods they purchased. The checks purported to be paychecks of the Sunset Telephone Co., and were clever imitations of same, but evidently the swindlers had them printed as they are not fac similes of the bona-fide pay-checks of the said company. So it is probable the swindlers may have many more of said bogus checks in their possession. The checks purported to be signed by J. R. Seeley, paymaster of said company, when as a matter of fact, the true name of the Paymaster is C. M. Seeley. Checks were made payable to P. Calhoun and B. M. Gill. The swindlers were roughly dressed and represented themselves as linemen in the employ of the Sunset Telephone Company.

Arrest, detain and notify me and I will promptly send for them.

Supt. of Police,

Dear Sir:--

I am quite anxious to secure the apprehension of Alfred A. Buck, a description of whom appears in the enclosed circular. The explanations of why he is wanted will also be found on the circular.

During the month of November Buck was in Honolulu. He wrote a letter to parties in Mapleton, this County, in which he stated that he was going to the mines of Australia. I have reason to believe that that letter was written for the purpose of throwing the authorities off their guard. I am convinced that he doubled his tracks and came back to the United States, and I believe that he will locate in one of the western cities, hoping to escape arrest.

I hope you will interest yourself in this matter and will do what you can toward apprehending Buck.

Thanking you in advance for anything you may do in this matter, I am

Very truly yours,

Bennett Williams

福岡庄太郎

The Japanese characters above is Fukuda's name proper in Japanese, and the Province in Japan from which he came. Officers will watch closely all Japanese boarding houses, employment offices and other places where Japanese names are registered, for this name. There are some Japanese Fukadas but we are informed no other SHOTARO FUKUDA in this country, as far as known; hence it is an uncommon name.

We are anxious to capture this man and hope all officers will do every thing possible to this end.

To All Sheriffs, Constables and Peace Officers of the State of California:

The following is a list of criminals that I want together with their descriptions, and will pay said rewards noted. Cancel all cards of mine not found in this circular.

$100 REWARD!

A reward of $100 will be paid for the capture of William H. Elkins, who escaped from the Merced county jail, Merced, California, November 19th, 1898.

DESCRIPTION: Age 26, (in 1898); age now 31 years; nativity, California; weight 150 pounds; height 5 feet 7¼ inches; build stout; complexion fair; color of eyes, grey blue; color of hair, dark brown; square shoulders; large round face, small prominent ears, short thick nose, small mouth, upper lip over hangs lower; upper teeth overhang lower; low, broad forehead, heavy eyebrows, thick, short hands; large short neck.

William H. Elkins was convicted for murder in the second degree and sentenced to thirty years in State's prison at Folsom. Cal., and received at the above prison on the 23d day of October, 1897. Was brought back from said prison to the county jail of this county on a "writ of probable cause" on the 19th day of September, 1898, to await the action of a higher court.

Elkins was raised on a farm, and is used to handling stock of all kinds and doing general farm work. He may be working on a ranch or around a mine, and going by an assumed name. His father, David L. Elkins, is living at present near Oakdale, Stanislaus county, California.

The above picture was taken of him at the time he was received at the State's prison at Folsom, California, and is a good picture of him, but he may change his appearance some by growing a beard. Should he do this it would probably be of a light color, his complexion may be changed by being exposed to the sun, but when he was in jail here his long confinement bleached him perfectly fair.

Officers, be on the alert, we want this man badly and will pay the above reward in any jail in the United States. Wire all information to me at my expense.

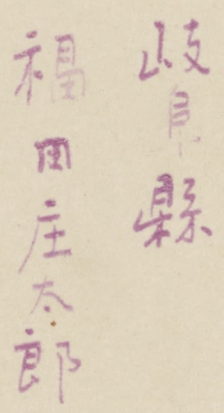
$700 REWARD!

For the Arrest and Conviction of SHOTARO FUKUDA

$400 BY THE CHINESE CONSULATE
$300 BY THE CHINESE SIX COMPANIES

Wanted for the Murder of GO NAN, a Chinese Farmer.

ON THE EVENING OF THE NINTH OF FEBRUARY, IN THE CARMEL VALLEY, NEAR MONTEREY, STATE OF CALIFORNIA, GO NAN, A CHINESE FARMER WAS MURDERED AND ROBBED BY SHOTARO FUKUDA, A JAPANESE LABORER, WHO WAS WORKING FOR GO NAN.



Description of Shotara Fukuda: Age, about 25 years; about 5 feet 3 or 4 inches in height; rather darger complexion than the average Jap; heavy, black, connected eyebrows; full, round face; wore his hat low over eyes; heavy, black hair, combed straight back not parted. When last seen wore working clothes. He speaks fair English and frequents gambling houses. He came to Monterey on December 20, 1904, from San Jose, and stopped at Japanese lodging house in Monterey until January 17, 1905, at which time he went to work for Go Nan and worked for him until the night of the murder, then disappeared and has not been seen since. After shooting Go Nan in the back with a shot gun and cutting his throat he took from his body about $50.00 in coin and a gold filled case watch, open face, 18 size, No. of case 6,806,763, Elgin works No. 10,217,615. Also took with him a double-barreled, breech loading shot gun.

The Japanese characters above is Fukuda's name proper in Japanese, and the Province in Japan from which he came. Officers will watch closely all Japanese boarding houses, employment offices and other places where Japanese names are registered, for this name. There are some Japanese Fukadas but we are informed no other **SHOTARO FUKUDA** in this country, as far as known; hence it is an uncommon name.

We are anxious to capture this man and hope all officers will do every thing possible to this end.

WANTED FOR ROBBERY

R. STEWARD

On the night of October 2, 1904, at 7:20 o'clock p. m., the barkeeper (who was a lady) and two men in Mrs. P. Hubbs' saloon, situate about one mile outside of this city, were held up by R. STEWARD, who entered the saloon from a side door of the building, his face being covered with a handkerchief below the eyes. Covering parties in saloon with 38-caliber blue barrel pistol, he demanded of them to turn over what money they had and place it on a waiter and hand it over to him, which they did; he received some $25.00 in all and then backed out the same door he came in and disappeared in the darkness. One of the persons in the saloon came in a few minutes previous to the hold-up and asked the other gentleman in the saloon to have a drink, and while drinking the robber came in from behind them and held all three of them up, including the bar-tender. This person was arrested by the officers and placed in jail as an accomplice, but denied all knowledge of being implicated in the hold-up, or ever being in company with R. STEWARD. Investigation proved that they came to Stockton together and were seen together on the day of the hold-up. Some few days later this man, Sims, hung himself in jail.

DESCRIPTION OF R. STEWARD

American; has the appearance of having Mexican or negro blood; age, about 26 years; height, 5 feet 9 or 10 inches; weight, 175 lbs.; long, thin foot, inclined to be flat; complexion very dark; color of hair, black (thick and bushy, parts same in the middle); smooth shaven; stoops over and has a swinging gait when walking; inclined to be of a sleepy disposition and slow in moving around; smokes cigarettes; drinks some; fond of women, and will be found around saloons and dives; eats and rooms at cheap places.

When last seen wore dark sack suit of clothes, black fedora hat, white shirt; always wears stand-up white collar (as shown in picture), size, 15½; also cheap necktie, mixed colors.

Occupation, barber; learned the trade at L. M. Gillett's Barber School at 611 Commercial street, San Francisco, California; left there July 30, 1904; has worked at breaking horses, also what is termed "bull punching"; is liable to work at any kind of labor. His laundry mark on clothes when in San Francisco was 41—3 and may be carrying same mark on his clothes now.

The above picture, being copied from a group of four barbers, taken in San Francisco while learning trade at Gillett's, makes it impossible to show up clearly, but has been identified by persons that knew him as R. STEWARD, and by parties in Stockton, as being in company with Sims on the same day of the hold-up and two or three days previous. This man may be going under a different name.

If found, arrest, hold and wire me, at my expense. I hold warrant for robbery—a felony.

My Wheel was stolen last night and I will give $5.00 to get it back. The thief is very inconsiderate of my welfare else he would not have taken it just as the hot season opens. $500 REWARD

This amount has often been offered and paid by Sheriffs, Govenors and individuals for the capture of a certain criminal or criminals, and it is nearly an every day occurance where a smaller amount is offered in your own State for a certain party or parties committing smaller offenses. Now, in nearly every case of this kind, this offering a reward can be avoided, should the Sheriff, Constable, City Marshal or some other officer of the law have a good pair of well trained MAN-TRAILING BLOODHOUNDS to put on the trail of these criminals when first discovered and tracked down before they could get out of the community in which the crime was committed. This is a fact that we all know; here is where the whole thing lies in a "nut shell",—when there is a theft committed, murder, house burglarized, convicts escape or prisoners breaking out of jail, the party having the dogs can take them at once to the scene, put them on the track and trail down the party or parties, while without these bloodhounds you may not even have a clue.

I am the "hound man" of the South, and have for sale, as a rule, at all times trained man-trailers, young partly trained hounds and pups of the very best strain and at reasonable prices. My hounds are the old reliable SOUTHERN BLOODHOUNDS, called by some as the NEGRO HOUND, the kind that were used during slavery times, and the kind that are now used in our Southern State Penitentiaries for trailing down escaped convicts.

The Southern Bloodhounds are the only natural man-trailing hounds, therefore, anyone can train a pair of pups in a short time to be reliable man-hunters. Now, for the benefft of those who have already bought bloodhounds, whether pups or grown dogs, and have found them not trained as well as they would like, and for those who do not wish to pay the price of a pair of fully trained bloodhounds, I have published a pamphlet (copyrighted) entitled "30 YEARS WITH HOUNDS" on working, handling, feeding and training these hounds to track, capture and identify criminals, and by following the instructions which are as simple as A B C they can purchase a pair of pups at about 20 per cent. of the cost of a pair of fully trained man-trailers, and train the pups themselves, or purchase a pair of good young partly trained man-trailers that has had a good start in this work for about one-half of the cost of a pair of fully trained dogs and complete their training in a few weeks time by merely giving them practice on trial runs. This book is the only publication of its kind and is worth to anyone interested in the man-trailing hound many times the price asked. Will send you one of these valuable books on training, post-paid, for only 50 cents.

Now, should you be interested in this matter and the welfare of your community write for my prices and eight page pamphlet on the southern bloodhound which contains several excellent illustrations, (half-tones made from photographs from some of my bloodhounds) tells how to order, how I ship, terms, etc.; it is free, but the book on training mentioned above is 50 cents per copy.

Address,

S. J. VAN RAUB,
SAN ANTONIO, TEXAS.

N. B.—I also have a few fine well bred and well trained fox and coon hounds for sale. Should you know of anyone wishing to purchase one or a pair of good hunting dogs you will greatly oblige me by giving them my address.

Card No. 33. 2nd issue.

WANTED FOR GETTING MONEY UNDER FALSE PRETENSES.

Arrest and detain the following described persons:

No. 1. J. M. Bain, age about 60 years; height about 6 feet; complexion fair; sandy mustache, cut short; wore a brownish suit of clothes; he is traveling in a single buggy.

No. 2. F. C. Bohrne, age about 52 years; short heavy set; wore a dark suit of clothes and a derby hat. Bohrne has a woman traveling with him, a very large good looking woman. She generally remains at the hotel while Bain and Bohrne are working the country.

The above parties left Merced, Cal., about the 1st of September, going north.

Both of the above parties are traveling through the country under the guise of being doctors of chronic diseases.

No. 1., J. M. Bain, is the advance man. He goes to a town and registers at a second class hotel and then looks up those who are afflicted with chronic diseases (he looks for country people), he gets a list of names, calls on each, gives them a free consultation. He leaves them and states that his partner, Dr. Bohrne will be with him in a few days, and they would call together and make a thorough examination and tell them whether they could cure or not, also give them the cost of cure.

Dr. Bohrne would make his appearance and make the examination in three or four days, collect the fee (never forgetting to collect their fees) and promising to call again. That would be the last seen of the two dead beats.

In town they are plain J. M. Bain and F. C. Bohrne, but when they get into the country, they both claim to be doctors.

Officers, keep a close watch on your hotel registers for the above two quacks. If they should come your way, arrest and wire me at my expense. I hold warrant.

CARD 21.

FRESNO, CAL., November 6, 1905.

On the night of the 30th, or the morning of the 31st of October, 1905, Mr. and Mrs. W. J. Hayes were brutally murdered about 20 miles west of this city. They had been to a ranch owned by them in the foothills of the Coast Range, and, on their way back to Fresno, had stopped to camp at a cabin owned by a Mexican with whom they were friendly and had frequently stayed over night on their way to and from the foothill ranch. The Mexican was not at home on this occasion, however. Their dead bodies were found by passers-by about 11 o'clock A. M. on Tuesday, October 31, 1905. Every clew or suggestion of the guilty party or parties has been followed by this office to no avail. So far as we know the only circumstances that seem to point to the murder that have not been explained satisfactorily are:

1. The following described gun was found about 60 feet from where the dead bodies lay, and no one has been found who claims to have ever seen the gun:

A Lovell, 12-guage, breech loading, single barrel shot gun; 32-inch twist barrel; No. 2249; pat. July, '87–'90; broken butt stock, wrapped with iron wire around grip; pistol grip; nickle-plated frame; iron butt plate; has been roughly used; quite dirty.

2. Two men on wheels were seen going in the direction of the cabin above mentioned a short time before sundown on Monday, October 30, 1905, and the same two men were seen coming back toward Fresno that night about 9 or 10 o'clock. We have been unable to find out who these men were or where they are since that night. They are described as follows by a gentleman who saw them and talked with them about two miles from the cabin where the murders were commited:

(1) Height, about 5 feet 8 inches; weight, about 135 lbs.; complexion, light; age, about 19; one full gold tooth on right side of upper jaw which showed plainly while he was talking; one tooth with half crown of gold on opposite side of mouth; face slightly freckled; smooth shaven; wore light ribbed shirt, cheap light dotted tie, soft black flat-crowned hat.

(2) Height, about 5 feet 7 inches; weight, about 145 lbs.; dark complexion; smooth shaven; dark hair; about 26 years old; wore black shirt with sleeves torn off between elbows and shoulders, black derby hat.

We should be pleased to have any information that would lead to the ownership of the above described gun.

Officers will please arrest any parties filling the above descriptions who are not able to give satisfactory explanation of their whereabouts at time of murder hereinbefore mentioned; hold and wire me.

TWENTY DOLLARS REWARD.

STOCKTON, CAL. NOV. 23rd, 1905.

Following is a description of JOHN J. HOFFMAN who I want for passing fictitious checks. The description is very good, the man easily identified, and I am sure can be caught notwithstanding the fact that he seems invincible, for he has commited many petit crimes throughout the State during the last year and no one has yet picked him up.

Hoffman's mode of living and operation is as follows: He goes to some city, puts up at a 2nd or 3rd class hotel for a week or two, gets acquainted without making himself conspicuous, then on Saturday after banking hours passes a few bad checks and leaves; or he sometimes goes to a small town near a city, works or lays around until his funds are low, then drops into the city and does the work, always on Saturday or Sunday.

There is one sure method of capturing him; that is to have all 2nd and 3rd class hotels, saloons, and other places where he might go (particularly those near the depot) notified and instructed to watch for him especially on Saturdays and Sundays. If you or some of your officers will notify all such places, giving them description and instructions we will pay him $20.00 reward for his trouble, provided it results in a capture and delivery to me in any jail in this State.

I send this circular to only one officer in each city and request him to take the matter up; thus there will be no misunderstanding or confusing as to who will work on the case and who will be entitled to the reward.

Card No. 36.

WATCH AND CHAIN STOLEN.

I will pay a reward of $10.00 for the recovery of the following watch and chain that was stolen from Chas. Hauenstein on the morning of Nov. 16th, 1905, as follows:

1 nickle open face watch, Elgin Movement, No. 3628410. Case number 38137. Size 18.

1 heavy solid gold chain, polished on four sides, with a I. O. O. F. and Masonic charm; letters C. L. H. engraved on charm.

Arrest any one found in possession of the above and wire me at my expense. I hold warrant for burglary.

JOHN S. SWAN, SHERIFF.

Merced, Cal., Nov. 16th, 1905.

OSCAR KOHLSDORF, German, or looks like one, speaks brokenly, light complexioned, rather heavy set, height about 5 feet 6 or 7, weight probably 150 lbs., blue eyes, nose rather tilted, turned up at the end, blonde moustache, light brown hair, generally heavy featured, age 39 or 40.

Kohlsdorf sawed out of jail at this place June 2, 1901, with one G. W. Jones who was afterwards located in Salem penitenitary and brought back for trial for horse stealing.

Kohlsdorf was convicted of burglary, and was to have been sentenced on the day following his escape. His wife, who is shown in photo, looks like a German, but her father is an Italian, named Rosanna, and it is supposed that his family is now with him.

Kohlsdorf followed the occupation of junk dealer, and is probably in that business now, he loaded the contents of a house on his wagon while the owner was absent, and was convicted on that account. Is said to have killed two men before he came to this state, is a very mild appearing man, and given to tears when in trouble, his wife visited him and took in the saw he used to get away with.

Jones is now awaiting tril, and we are very anxious to get Kohlsdorf, and will appreciate it if you will kindly keep a lookout for him and telegraph any information you may get at my expense.

From what we have been able to learn from Jones he is probably somewhere in Oregon.

No. 66

Who is he?

This man was arrested with a cripple and a boy. The boy had stolen a watch. The man we are holding on a Vagrancy charge for thirty days. His time will be up February 10th, 1906.

He had on him a red folding pocket book. The name "Jake Zemansky" had been stamped on it in gilt letters, but the gilt had been scraped off and a piece of sticking plaster pasted over the name. In the pocket book was a clipping from some newspaper, dated March 28th, from Denver, Colorado, giving an account of a counterfeiting scheme that had just been unearthed by the Federal authorities, and the headquarters of the gang was believed to be in Denver. He also had recipes for making all kinds of alloys, and a one hundred dollar bill on the City Bank of New Orleans, dated 1849.

His description is as follows:

Gives name as Levi Hampton; an American; age 59; height 5 ft. 9½ in.; weight 159 lbs.; hazel eyes; gray hair, cut very short; smooth shaven, but beard would be heavy and gray; has oblong white scar on back of left shoulder, high up; small round scar on back of neck; several small brown moles on right arm; small mole on left shoulder; white round scar on front of left knee; scar on right knee; small round scar on right buttick, near meridian line; sore on right shin, apparently wound of some kind and not yet healed.

This man will give no account of himself, and we believe he is wanted badly by the officers in some locality.

If you can give any information, do so promptly, as we will be compelled to liberate him on February 10th on the present charge.

liars. This is a good picture of him, except that he had on a derby hat when he left this county. Watch small places where there one or two saloons. He may have bought or rented a chicken ranch somewhere, as he always talked about that. But his graft is to go to small places, hire a horse and buggy, take the outfit to some other county, and trade or sell the same. He has been sent to Folsom twice for this offence, and we now hold ***Felony*** warrant for him. He was discharged from Folsom June 11, 1905, and in December was at his old trick again.

He hired a horse and buggy of Ghas. Morrill, liveryman at Montalvo, this county, which we have since found at Snelling, Merced County, where he sold the outfit and left for parts unknown. He may have ***hired*** another rig by this time.

Officers and liverymen please keep close watch for this fellow, as we would like to put him where he will not bother the liverymen for some time to come.

His description is as follows, taken from the records at Folsom:

G. Hunter, alias Cyrus Boyer; age 40 years; height 5 feet, 3⅜ inches; weight 140 pounds; size of foot No. 5; complexion medium eyes light brown; hair brown; one vaccine and two dim vaccines on upper left arm; two dim vaccines on upper right arm; mole on upper right arm; mole on left shoulder, front; dim horizontal score on left side of nose, at the bridge.

Was sent to Folsom from Alameda County for embezzlement for three years. Was discharged May 7th, 1888. Also sent to Folsom from Fresno County for grand larceny and discharged June 11th, 1905.

He is a paper decorator and saloon decorator, and will most likely be found around saloons. When he left here he wore a black derby hat, dark suit and light vest.

Officers please do everything possible to secure above described party. Mr. Morrill will pay $25 and I will add another $25, making $50 for the arrest of this fellow, if you will hold him until I can get their with the warrant. I hold felony warrant. Arrest and wire at my expense.

The above photograph is a good likeness of him. It was taken on May 26, 1900. This man claimed to be a R. R. brakeman but we think he is familiar with machine shop work especially railroad machine shops. He, together with another man (who is still in this Penitentiary,) burglarized a Post Office using nitro-glycerine. These two men are what are called "Yegg men" and they made it a business robbing Country Post Offices, Banks and Railroad Depots. They were tried and convicted at Texarkana, Arkansas, and sentenced to this Penitentiary on May 18, 1900 to a term of 5 years each.

Please examine all prisoners that you have in your Jail, Police Station, Penitentiary or Work House. This man has been so vigorously persued since his escape from here so that we are inclined to think that he has committed some trifling offence in order to get himself in Jail or Penitentiary for a short term in order to throw us off of his trail.

I will pay Sixty Dollars ($60.00) for his arrest and detention in any Jail or Police Station in the United States until fully identified and turned over to an officer from this Penitentiary.

CIRCULAR No. 1

MISSING BOY!

Los Angeles, Cal., February 12, 1908.

On the 6th day of January, 1908

GEORGE L. CARTER

left his home, since which time his mother has not heard of him.

He is described as follows:

A Native of California, 16 years of age, height about 5 feet, 6 or 7 inches, weight about 130 lbs, brown hair, brown eyes, olive complexion, scar on forehead above one of his eys, about one inch long. He has a natural aptitude for machinery and spent a great deal of time around Automobile Garages, and may be found working in one, or employed as Chauffeur.

The parents of the young man are very anxious to locate him and his mother has spent a great deal of time and money in that endeavor, but has met with no success. She therefore placed the matter in my hands, requesting me to bring it to the attention of the various Peace officers of this and other states, and requests their assistance in locating her boy, as she is almost heart-broken on account of his action.

If his home was not a good one, I would not ask you to make a special effort to find him. If found, detain and notify the undersigned.

W. A. HAMMEL, Sheriff.
